

## Texas Municipal League Affiliate

TMUA is an affiliate organization of the Texas Municipal League (TML), which represents more than 1,150 member cities and towns.

As partners, TML and TMUA offer the best in representation and assistance to cities and their respective colleagues.

TMUA serves actively with the TML to represent and advance the views of municipal utility practitioners.

## Emphasis

The emphasis of TMUA is to address issues and topics that affect the leadership and managers of municipal utilities including:

- Strengthening the relationship with administrators and members of governing bodies
- Addressing the unique needs of a municipally owned utility
- Focusing on special opportunities and obligations associated with the management of a utility within the municipal framework
- Providing a forum where members can learn from each other and benefit from professional association with other municipal utility managers in Texas.

## Annual Conference

The TMUA Utility Leadership and Management Conference occurs every June focusing on topics that utility administrators face with regularity and forums to share ideas and valuable information.

## Membership Eligibility

TMUA membership consists of four categories: Full, Affiliate, Student, and Life.

### Full

A person who (a) is an elected city utility official, or (b) is a member of the governing body of a city or public utility, a person who is the administrative head or assistant administrative head of a city, or any person employed by a city or public utility who actively works in the area of utilities.

### Affiliate

A person who does not qualify as a Full, Student, or Life Member, but has attained a position in a field of specialization qualifying him/her to contribute to the advancement of professional knowledge.

### Student

A person who is registered in a college or university program with an emphasis on municipal utility management.

### Life

Life members of the Association shall be chosen because of distinguished public service to local and urban municipal utilities. Prospective Life Members shall be nominated by at least five Full Members. Provided the Board unanimously recommends the prospective Life Membership, the membership will vote on it at the TMUA Annual Conference.

## Membership Benefits
